Aurora Wireless Headphones

Over-ear Bluetooth 5.3 headphones with active noise cancelling. The battery lasts up to 30 hours with noise cancelling on, and a 10-minute charge over USB-C gives about 5 hours of playback.

Pairing: hold the power button for 5 seconds until the light flashes blue, then select Aurora in your device's Bluetooth settings. To reset, hold the power and volume-down buttons for 10 seconds.

Nordic Ceramic Mug Set

Four hand-glazed stoneware mugs of 350 ml each. Dishwasher and microwave safe. Because every mug is glazed by hand, small differences in colour are normal and not a defect.

TrailPro Hiking Backpack 28L

Water-resistant 28-litre daypack with a padded hip belt, a sleeve for laptops up to 15 inches and a rain cover stored in the bottom pocket. Clean with a damp cloth; don't put it in the washing machine.

Compact 75% layout with hot-swappable switches, connecting over Bluetooth, 2.4 GHz or USB-C. Available in black and white. Works with Windows, macOS, Linux, iOS and Android. The battery lasts about 4 weeks with the backlight off.

Terra Linen Bed Sheet Set

Stonewashed 100% linen set for a double bed: one fitted sheet (160 x 200 cm), one flat sheet and two pillowcases. Wash at 40 degrees and tumble dry on low; linen gets softer with every wash.

20,000 mAh power bank with 65 W USB-C Power Delivery, enough to charge most laptops. It can charge two

devices at the same time. Allowed in hand luggage on flights.
